

Technical Datasheet

RPB® L4™ Light

DESCRIPTION

The L4 Light is designed to attach ergonomically to the Nova 3® blast helmet to provide bright focused light in dark/ low light environments without adding unnecessary height and weight to the users helmet.

The battery is mounted to the users belt to remove any unnecessary weight off the head.

RPB L4 Light

Packages	Part #
L4 Light - USA	09-502
L4 Light - Global	09-502-G

Compatible with the following respirator

Nova 3®

Application ranges (including but not limited to the following)

Any industrial application performed wearing a Nova 3 respirator in low light/low vision environments e.g. abrasive blasting.
